

First voice mail

Hi _____, this is (name), you answered our ad on the internet about owning your own home-based business...Quite frankly, we have just been overwhelmed with responses from the ad, so we are conducting pre-screening interviews to see who we'll be working with... So if you are serious about making money from home, call me back so we can schedule your interview.... my name is (name), and my home-office number is 888-888-8888, again that's 888-888-8888. We're going to be making our decision here in the next 48 hours so give me a call back today, that way we can ensure that you have the chance to be interviewed. Talk to you then...Good luck and God Bless.

LAST VOICE MAIL MESSAGE

"Hi (NAME) this is (your name) just calling you back... I've been trying to get a hold of you to get you that information that you requested about earning some income working part-time from home... This is the third time I've called... and I am just letting you know that this is the last time I'm going to call... I am conducting some interviews, so if you are absolutely serious, go ahead and give me a call back. If I do not hear from you, then I know that you are just simply curious. My name is (your name) and my number is 888-888-8888 again that number is 888-888-8888 (SAY IT SLOW) I will speak with you soon...god bless!
